GENERAL WEDDING INFORMATION

Admissions and Ticketing
In order to utilize Catering Facilities at the San Diego Zoo or Safari Park, an admissions fee per attendee is required. The Wedding Package includes one-day pass admissions for all of your guests on the day of the wedding only. SDZ Global Membership, pre-paid tickets and/or discount coupons do not apply to Catered Events.

Confirmation of Space
Event space may be confirmed with a signed sales agreement and deposit as early as eighteen (18) months in advance. All dates are subject to approval from our Sales Department. Speak with Sales Representative for applicable package pricing with advanced bookings. Event attendees are restricted to your contracted venue after operating hours.

Food and Beverage Minimums
Each reception venue has a minimum expenditure requirement in food and/or beverage, along with a minimum group size of 50 people. If the minimum is not met, the difference will be charged to the client. The food and beverage minimum for each venue varies in amount; please reference Minimum Food/Beverage pages in the guide. Ceremony site fees, sales tax, décor or entertainment additions do not apply toward the food and beverage minimum.

Wedding Coordinators
There are many details involved in planning a wedding other than food and beverage. To ensure a flawless event we encourage you to hire a Professional Wedding Coordinator. We would be happy to provide a list of recommended professionals to assist in your special day.

Event Timing
SDZ Global allots 30 minutes for the wedding ceremony plus up to five (5) hours for cocktail hour/dinner wedding receptions. Additional event time may be available at $1000 per hour. Available times frames vary; please speak with our Sales Representative for your specific time frame. We allot a minimum of setup and teardown of 1 hour before and after the event in each venue area. Extensive set up time requests may be available with an additional fee.

Guarantee
The Client must notify the Coordinator of the final guarantee no later than 10:00 a.m. (P.S.T.) four (4) business days prior to the event. This number shall constitute a guarantee and is not subject to reduction.

If the final guarantee is not received within the four (4) day specification, the estimated attendance at the time of contracting will be used as the final billable guarantee. The client will be invoiced for the final guaranteed attendance or the actual number of meals served, whichever is greater.

The San Diego Zoo Global (SDZG) will provide seating for 3% over the guarantee up to the maximum capacity of the reserved facility and will be prepared to make 3% over the guarantee in food as soon as the need is noted. If the actual number of guests at an event exceeds 3% of the guarantee, SDZG will make every effort to provide meals, but reserves the right to substitute food items.

Plated Entrée Selection
When requesting multiple entrees, please note that the price structure is determined by the higher priced entrée. No more than two entrees plus a vegetarian selection may be offered without approval by Coordinator and Executive Chef. Additional fees may apply should approval be given. When selecting a Duo entrée, the same selection should be offered to all guests unless a vegetarian request is made. Meal indicator card must be provided to identify your guest’s menu selection.
